

Putting the pieces  
back together for a  
better "SOUP KITCHEN!"  
remodeling the 40 year old kitchen,  
dining area & restrooms to better serve  
the poor and hungry - especially  
children . . .

- serving up to 125 breakfasts and lunches to children in the summer while school is out
- serving up to 60 evening meals each day to children during the school season
- Serving about 80 additional evening meals to poor and needy adults, homeless, disabled senior adults and mentally ill in the inner city

Since its beginning, in 1992, HOPE CHARITABLE SERVICES (HOPE) has a well established history of serving those affected by poverty and disaster in our inner city region.

- Through its URBAN OUTREACH CENTER, HOPE has strengthened struggling families and built community in the inner city of Portsmouth with its academic based children's programs: everyday, all-day, all-summer day camp and daily after school program.
- Through its outreach including: soup kitchen; medical, dental and social/psych services; job referral; crisis assistance; distribution of food, hygiene products, furnishings, household goods & clothing; homeless shelter and other programs HOPE has been a constant source of help and inspiration to the poor and needy.
